Congratulations Lavaleesh

Lavaleesh Verma (left) get's the congratulatory handshake from Bob Cable (right) for passing his Private Pilot Checkride in N7588D C172N.

Lavaleesh Verma passed his private pilot check ride on December 16, 2008. His instructor, Jeff Ang was very pleased with the results. Lavaleesh had to postpone once due to bad weather and then went all the way to French Valley to meet his examiner. Lavaleesh says he is looking forward to flying for fun a little, instead of so much training. He plans on starting his instrument training next month.

From all the members, "Congratulations Lavaleesh!"

Gobosh 700s

If you are not checked out in the Gobosh 700s, then it is time to do so!

You don't know what fun you are missing !

Charts In Stock

Aviation Charts In Stock!

Foothill Flying Club received it's first shipment of Aviation Charts in on Thursday, December 18, 2008. " We are back in business" said Kent Pramhus. There has been a major hole in the service to all the pilots on the airport since the chart supplies disappeared. Foothill Flying Club is proud to serve all the needs of Cable Airport!

New Years Fly-in to Catalina AVX

Bracket and El Monte pilots are doing their annual New Years Day Fly-in to Catalina and you are invited! Thursday, January 1, 2009. What a great way to start the New Year. Rent a plane or get a ride! Either way, it should be fun!

22nd Annual
Kopp-Roberts'
New Year's Day Fly In to
Catalina on Thursday,
January 1, 2009.

Meet at the
Airport-in-the-Sky (AVX)
about 10:30AM.

If you need a seat or have one available, call Gene Kopp at cell phone: (213) 399 3272, or ehkopp@earthlink.net

Last minute questions or doubts about the weather, call Gene on cell phone. If Catalina fogged in (rare, but does happen), we may go elsewhere.

Notes: Catalina landing fee, as of Jan 1, 2009, will be \$25 dollars, regardless of size of plane or number of passengers. The airport's ASOS, (310) 510 9641; Airport office, (310) 510 0143.
